

Campaigner Bible Quiz 2020

**Friday 21st February 2020
@ 7.30pm
in Carryduff Baptist Church**

As usual this year's quiz will take the form of a table quiz, with six rounds of questions - two rounds on the set passage and the rest on general Bible knowledge.

This year's set passage is based on the story of Samson.

Samson's story is found in Judges chapters 13 to 16. Questions will only be set on **chapters 13 and 16**, however the stories in chapters 14 & 15 will give the young people a sense of Samson's strength and help them to understand why he was such a threat to the Philistines.

*****The 'Brick Testament' website has some useful PowerPoint presentations which may be of help.*****

There will be a Junos' competition with four Junos in each team. For the Inters & Craftsmen competition teams of four are made up of at least two Inters and the rest Craftsmen (all 4 may be Inters). More than one team may be entered in either section. Clans may enter teams with fewer than 4 Clansmen - please speak to Christine.

ALL Clansmen should wear full uniform and should be seated ready to begin at 7.30pm.

Please consider entering one or more teams in this year's quiz. Much good Bible teaching goes on in your Clan throughout the year and the Quiz offers your Clansmen the opportunity, in a relaxed atmosphere, to show what they have learned.

To enter a team/teams in this year's Quiz, please complete the attached form and return it by Wednesday 12th February 2020.
