Campaigners Youth and Children's Ministry fully appreciate the value of Missions Projects in the Spiritual and Social development of young people. We actively encourage participation in Missions Projects and where possible will assist with funding. Many projects are provided by organisations not associated with CYCM and we have no control over the services they provide and the policies and procedures they employ. For this reason the provision of funding must not be considered as an endorsement by CYCM of any individual or organisation or as confirmation that any individual or organisation are employing policies and procedures approved by CYCM. The Applicant/Person with parental responsibility must fully satisfy themselves of the organisations credentials, policies and procedures before submitting this application for funding.
